## **Kathryn H. Hug Instructional Leadership Award**

The Kathryn H. Hug Instructional Leadership Award was established to honor Dr. Kathy Hug's superb leadership skills. As both a teacher and administrator in the Clarke County School District, Dr. Hug modeled exemplary leadership skills that advanced the knowledge, understanding, growth, and confidence of everyone within her reach. She unselfishly nurtured the leadership capacity of others while she consistently and successfully led the school district, its staff, and students through uncharted paths of academic excellence.

This award is currently presented for a two-year period, awarded in odd-numbered years.
