KEY 1996 ACCOMPLISHMENTS:

- *Strategic Plan Developed.* During 1996, Foundation Trustees participated in a strategic planning process facilitated by Dr. Gerry Horton. A mission statement was drafted, long- and short-term goals were set, and implementation guidelines were written. The entire plan underscores the Foundation's focus on encouraging, recognizing, and rewarding excellence in education.
- *Chairs Continue to Grow.* In addition to the Whitehead Chair of Science announced at the end of 1995, the Schindel Chair of Mathematics has been established by Mr. and Mrs. Robert Schindel in honor of their daughter, Ann. The Schindels have committed \$25,000 for the chair.
