## KEY 1987 ACCOMPLISHMENTS:

- *Refinement of Teacher of Excellence Process Continues.* The trustees sought ways to improve the Teacher of Excellence process. Continuity on the selection committee was addressed, nomination procedures were modified to allow for resubmission of packets, and publicity was increased.

- *Howard B. Stroud Award Established.* The Foundation established the Howard B. Stroud Award for the purpose of recognizing exemplary service by a Clarke County School District employee. The intention is that the recipient's work should exemplify the same kind of performance as Stroud and mirror his qualities. Further, the Foundation decided to name Stroud as the first recipient. A plaque will be placed in the Board of Education meeting room.
- *Support Continues from Junior League and Banks.* The Junior League of Athens and five local banks—Trust Company, First American, Athens Federal, Bank South, and Citizens and Southern— each gave \$500 for the Teachers of Excellence and the Howard Stroud Award recipient.
- *Mini-Grant Program Begins.* The Foundation created a new teacher recognition program in the form of mini-grants of up to \$200 each for the development and implementation of a professional which provides direct benefit to Clarke County students. The trustees approved up to \$2,000 for the 1987-88 school year.
- *Barbeque Benefits Foundation Again.* The Citizens for Public Education contributed \$4,000 to the Foundation. These are the proceeds from the CPE barbeque organized to benefit the Foundation's work.
- *Sams Gives Generous Gifts.* Walter A. Sams, Jr. gave the Foundation \$10,000. The trustees will discuss the use of the Sams gift in 1988.
